Friends of

Lyme Regis Museum

Charity No: 278774

- We are an independent charity, created over twenty years ago to assist in the maintenance and development of this unique and beautiful museum.
- Our programme of lectures, outings, and social events is designed to be pleasurable whilst raising much needed funds for our various projects.
- Our membership is world-wide, and is kept informed of our work via a twice-yearly newsletter. Membership gives unlimited free entry to the museum to you, and to a friend.
- Our locally based members play an active role in the museum's programme of fossil, history and nature walks, exhibitions, and art and craft workshops for children.

Sounds appealing? If so, do join us and be part of the future of our vibrant museum here in glorious Lyme Regis
